Jumbo toilet paper dispenser designed to help reduce the potential for self harm.

Product Image:

Product Description:

- Jumbo toilet roll dispenser.
- Contemporary angular design reduces the potential to attach a ligature for the purposes of self-harm.
- Created by experts in anti-ligature design.
- The toilet rolls are simply pushed into the dispenser, where they are securely held in place by lugs formed in the internal surfaces, ensuring there are no internal moving parts.
- Easy for staff to refill.
- Manufactured from high grade stainless steel for robustness and durability.
- Finished with an attractive brushed steel surface or powder coated white or blue & white.

Available Finishes:

Brushed or powder coated

IMPORTANT:

The anti-ligature design features of this product do not replace or substitute the need for the necessary supervision of those who may be at risk, or for other protective measures to be taken in the specific circumstances of usage.

Dudley Industries Ltd does not claim any product to totally prevent ligatures being attached or make claims that they cannot be damaged by intent through vandalism. It is therefore the customer's responsibility to ensure the suitability of the product for the environment in which they are to be fitted, that they are installed according to the instructions and that the necessary supervision is in place.
